

# How to Know you have Eternal Life Now

Is it important to keep the commandments?

How many of them have you broken?

What is it that separates us from God?

How much sin can God tolerate in His presence?

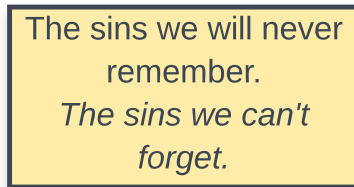

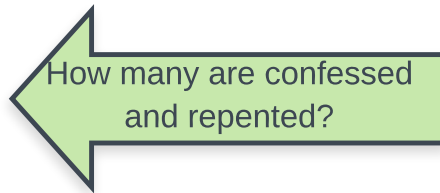

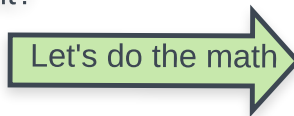

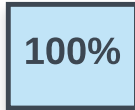

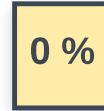

How perfect do we have to be?

How much sin do we have on our account?

Is it possible to do enough good works to offset a whole life of sin?

How do we get "sin free"?

1. Recognize our true state. **Romans 3:21-23**
2. Understand the solution is outside of us. **John 3:16**
3. Engage in the double transfer - great exchange - crazy trade. All our sin for the perfect righteousness of Jesus. **2 Corinthians 5:21; 1 Peter 2:24**
4. Receive the gift - as a gift. **Ephesians 2:8-9 Titus 3:3-7**
5. Understand the purpose and place of good works. **Matthew 5:16; Ephesians 2:10**
6. Rest in our identity as adopted children. **Ephesians 1:7-14**
